

MARSH LANDING MANAGEMENT COMPANY

April 9, 2010

To Whom It May Concern,

I would like to take this time to express my satisfaction and gratitude to David Cornelius and Creative Sign Designs for their recent and future efforts regarding products I have purchased and had installed. As a Property Manager of over 2000 homes located in exclusive gated communities I am always in need of products and Account Managers that not only meet but exceed my expectations for the communities that I represent. David has been able to meet and exceed my expectations on several occasions as well as the products he has installed. I am currently working with David on another project and I look forward to seeing the finished and installed product.

If you should have any further question, please feel free to contact me.

Sincerely,

A handwritten signature in black ink, appearing to read 'Douglas Scott'. The signature is fluid and cursive, with a large initial 'D' and 'S'.

Douglas Scott, CAM
