

ADA / Interior Sign Fabricator

Creative Sign Designs is actively looking for an ADA / Interior Sign Fabricator.

Creative Sign Designs, with national headquarters in Tampa, specializes in turnkey architectural signage solutions. Creative Sign Designs provides consultation, design, project management, fabrication, and installation services for a full line of interior, exterior and digital sign products. With more than 25 years experience providing architectural sign solutions, Creative Sign Designs is capable of successfully managing local, regional, and national projects.

POSITION: ADA / Interior Sign Fabricator

RESPONSIBILITIES: Primary responsibilities include producing ADA and other interior/exterior signs, using photopolymer, acrylic, vinyls, laminates, aluminum, and other materials. Ideal teammate will focus on safety, quality, and productivity, while producing a wide range of interior and exterior signs. Knowledge of materials, fabrication, painting, vinyl application, and raster bead installation is a must.

QUALIFICATIONS: 2+ years of ADA / interior sign experience required, plus a High School diploma or GED. Experience with lasers and/or engraving machines would be a plus. Teammate must have a desire to contribute to the overall success of the company and to improving all key performance metrics. Selected candidate must pass a pre-employment drug screen and background check.

OUR TEAM: Creative Sign Designs is the leader in turnkey signage projects. We do it all...Consult, Design, Fabricate, Install. Our product lines include ADA, interior, wayfinding, electrical channel letters, monuments, pylons, DOT signs and much more! We are always looking for the right players to add to our team to help provide exceptional service to our customers. Learn more at www.CreativeSignDesigns.com .
