

## Architectural Sign Fabricator

Creative Sign Designs is actively looking for an Architectural Sign Fabricator.

Creative Sign Designs, with national headquarters in Tampa, specializes in turnkey architectural signage solutions. Creative Sign Designs provides consultation, design, project management, fabrication, and installation services for a full line of interior, exterior and digital sign products. With more than 25 years experience providing architectural sign solutions, Creative Sign Designs is capable of successfully managing local, regional, and national projects.

**POSITION:** Architectural Sign Fabricator

**RESPONSIBILITIES:** Primary responsibilities include fabricating all types of architectural exterior signs, including directional and wayfinding, channel letter, electrical, post & panel signs, and more. Creative Sign Designs provides the tools and equipment required to successfully complete the job. Ideal teammate will focus on safety, quality, and productivity, while representing the company in a very professional and customer-focused manner. Knowledge of sign fabrication and metal working techniques and some construction and code is a must.

**QUALIFICATIONS:** 2+ years of architectural sign fabrication experience required, plus a High School diploma or GED. Experience with MIG, TIG, and stick welding, as well as shears, brakes, and other metal forming equipment required. Teammate must have a desire to contribute to the overall success of the company and to improving all key performance metrics. Selected candidate must pass a pre-employment drug screen and background check.

**OUR TEAM:** Creative Sign Designs is the leader in turnkey signage projects. We do it all...Consult, Design, Fabricate, Install. Our product lines include ADA, interior, wayfinding, electrical channel letters, monuments, pylons, DOT signs and much more! We are always looking for the right players to add to our team to help provide exceptional service to our customers. Learn more at [www.CreativeSignDesigns.com](http://www.CreativeSignDesigns.com).
