

Interior / Exterior Sign Production Designer

Creative Sign Designs is actively looking for an Interior / Exterior Sign Production Designer.

Creative Sign Designs, with national headquarters in Tampa, specializes in turnkey architectural signage solutions. Creative Sign Designs provides consultation, design, project management, fabrication, and installation services for a full line of interior, exterior and digital sign products. With more than 25 years experience providing architectural sign solutions, Creative Sign Designs is capable of successfully managing local, regional, and national projects.

POSITION: Interior / Exterior Sign Production Designer

RESPONSIBILITIES: Primary responsibilities include designing and creating production drawings for interior & exterior signs, including directional and wayfinding, channel letter, electrical, traffic, post & panel signs, and more. Designer must translate conceptual designs and customer specifications into production designs for manufacturing, incorporating best practices and engineering concepts. Ideal teammate will focus on safety, quality, and productivity, while designing a wide range of interior and exterior signs.

QUALIFICATIONS: 2+ years of interior and exterior sign design experience required, plus a High School diploma or GED. Experience with Flexi-Sign, Adobe Photoshop, AutoCad, or other design software is required. Candidate will be expected to demonstrate proficiency with design software. Teammate must have a desire to contribute to the overall success of the company and to improving all key performance metrics. Selected candidate must pass a pre-employment drug screen and background check.
