

LINDA PRUSIECKI

Account Manager

Responsibilities: Linda is experienced in providing consultative advice in the development of a complete signage program. She is well-versed in the regulations necessary for ADA compliance, interior and exterior wayfinding programs and custom fabrication.

She is a knowledgeable source in terms of administrative, proposal, and sales order questions, as well as, sign-specific inquiries relevant to a project. She provides ongoing support throughout the project and works with the assigned project managers to ensure everything runs smoothly. She works with designers and estimators to ensure everything meets and exceeds her client's expectations. Linda has been successful in working with numerous clients including, Miami Hotel Enterprises dba Element Hotel Doral, Indian River Medical Center, Jupiter Medical Center and Sterling/Organization Popmano Citit Center.

Career History/Industry Experience: Linda began her career in the sign industry in 1984, with a large custom sign company in South Florida. This is where she learned all the different facets of the sign business. In 2007 she purchased the company and oversaw all the company's operations for the next six years before joining the Creative Team.
